Command Center – Sending reminder message

1. Choose "Installations" from the menu.

2. Choose the customer from the drop-down menu.

3. Choose "All" or only certain users.

4. Lastly choose "Send invite to selected"

	Sent time will be update with the time when the invite was sent. If the sent time is 000.. the invite has not been sent. NOTE! The sent time will not be seen immediately after the invite has been sent. It will be seen next time you check the customers invites.
	The message base used in the invite can be modified, go to Vendor details -> Invitation.
